

SCRABSTER HARBOUR TRUST

RELIEF GENERAL WORKER (SHIFTS)

A vacancy has arisen for a Full Time Relief General Worker role with Scrabster Harbour Trust. The individual will work predominantly a back shift pattern (including some weekends) and on occasion day or night shifts to provide holiday cover as part of the 24-hour port operational rota.

The post holder shall assist in the general operational and maintenance requirements of the port.

The role calls for good communication skills and the ability to become a flexible member of a dedicated team. Knowledge of fishing vessels and berthing operations would be an advantage but not essential. Possession of a full driving licence is essential.

Establishing and maintaining effective working relations with a broad range of shore/seaborne personnel and organisations linked to the harbour and its development will be important.

The successful candidate will be expected to undertake further training in the following areas: Health & Safety, Port Security, Plant and Equipment.

Salary will be dependent on experience. A pension scheme is offered with this position.

Applications should be made in writing, enclosing an up-to-date CV, marked Private & Confidential, by mid-day on Friday 10th March 2023 to:
