

Navigation Warning

Scotland – North Coast – Pentland Firth – Inner Sound

Subsea works

October 2024

Mariners are advised that subsea works are to be conducted at the MeyGen Tidal Array site.

These works will be conducted between **23rd to 26th October**, centred on position:

- 58° 39.5' North
- 003° 08.5' West

However, the vessel the Maersk Involver may be encountered anywhere within the Inner Sound.

Vessels involved in operations will be Restricted in their Ability to Manoeuvre (RAM) and will display the appropriate shapes and lights during the operations.

This Navigation Warning expires **28th October 2024**

This notification may be freely distributed.
